Sukhanwar main gar hota kabhi,
Injazbon ko rangeen lafzon ka pairaham deta.

83. Baithey huey maikhane mein aaj,
Bada nosh karte huey,
Tujh ko yaad to kiya ai vaiz,
Lekin kuchh ghabrate huey.

Tere aane ki khabar saqi ko thi,
Tere jaane se na vaqif tha woh,
Piyun gar main to kya piyun,
Aab e hayat se na vaqif tha woh.

Is kashmakash ke aalam mein,
Naam tera leta gaya,
Aur bekhudi mein doob kar,
Jaam pe jaam peeta gaya.

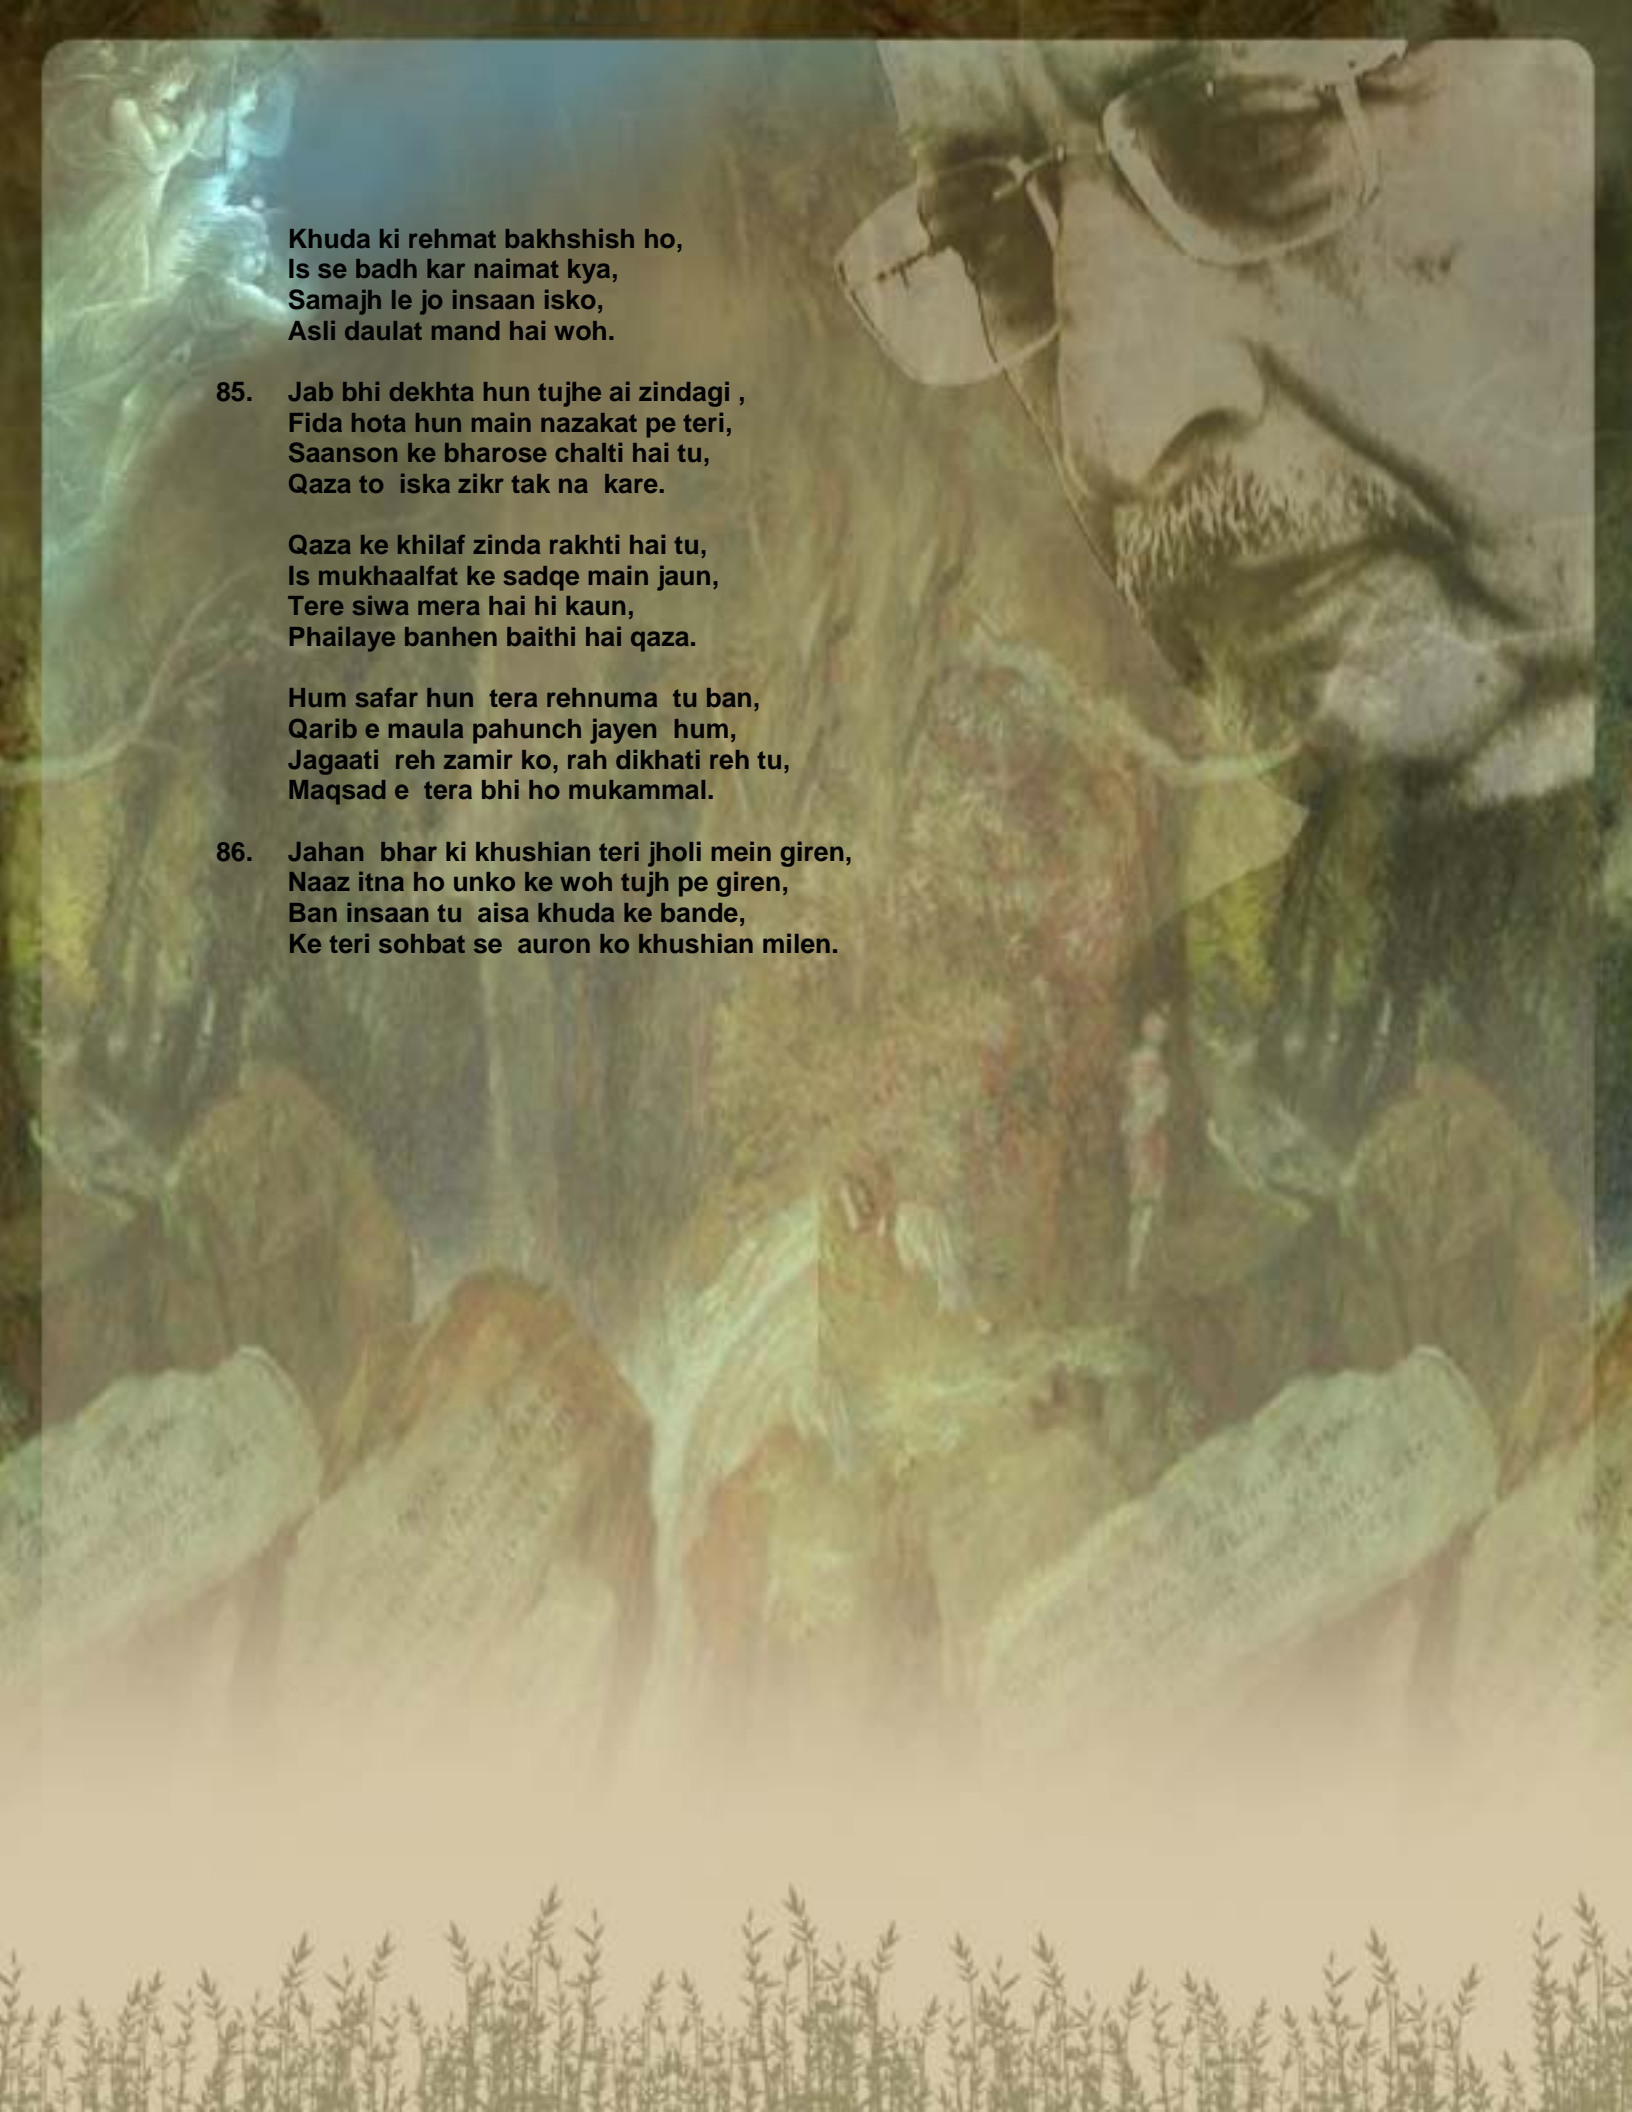

84. Jo beet gayi so beet gayi ,
Adbi haqeeqat yehi hai,
Beshak maazi yaad karo,
Jeena hai to mustaqbil.

Purkhon ka yeh kehna hai,
Suraj doobe sab ke liye,
Raaton ka kya kehna hai.

Banta hai so bigde hai,
Jo bigde hai so banta bhi,
Qismat sab ki apni apni,
Khuda sabka ek hi hai.

Bharosa karna baaton per,
Yeh bhi to kuchh farzi hai,
Zar ka zarra daulat nahin ,
Sirf ek nasha hai yeh,
Asli daulat ibadat hai ,
Yehi khuda ka kehna hai.

Sach hi anmol gehna hai ,
Aazma kar dekh hi lo,
Jauhar hai to ek hi hai ,
Jauhri banke dekh hi lo.

Is se badh kar naimat kya,
Samajh le jo insaan isko,
Asli daulat mand hai woh.

85. Jab bhi dekhta hun tujhe ai zindagi ,
Fida hota hun main nazakat pe teri,
Saanson ke bharose chalti hai tu,
Qaza to iska zikr tak na kare.

Qaza ke khilaf zinda rakhti hai tu,
Is mukhaalfat ke sadqe main jaun,
Tere siwa mera hai hi kaun,
Phailaye banhen baithi hai qaza.

Hum safar hun tera rehnuma tu ban,
Qarib e maula pahunch jayen hum,
Jagaati reh zamir ko, rah dikhati reh tu,
Maqsad e tera bhi ho mukammal.

86. Jahan bhar ki khushian teri jholi mein giren,

Dhuan

Bujh chuki shama ki lau,
Dil ki raakh bikhar gayi,
Dhuen ki mujhko hai talaash,
Ja rahi hai zindagi.

Ehsaas e gham chhupaate huey,
Lehraate huey woh chal diya,
Mujrim qaraar main kisey dun,
Gawah jo khud faraar hua.

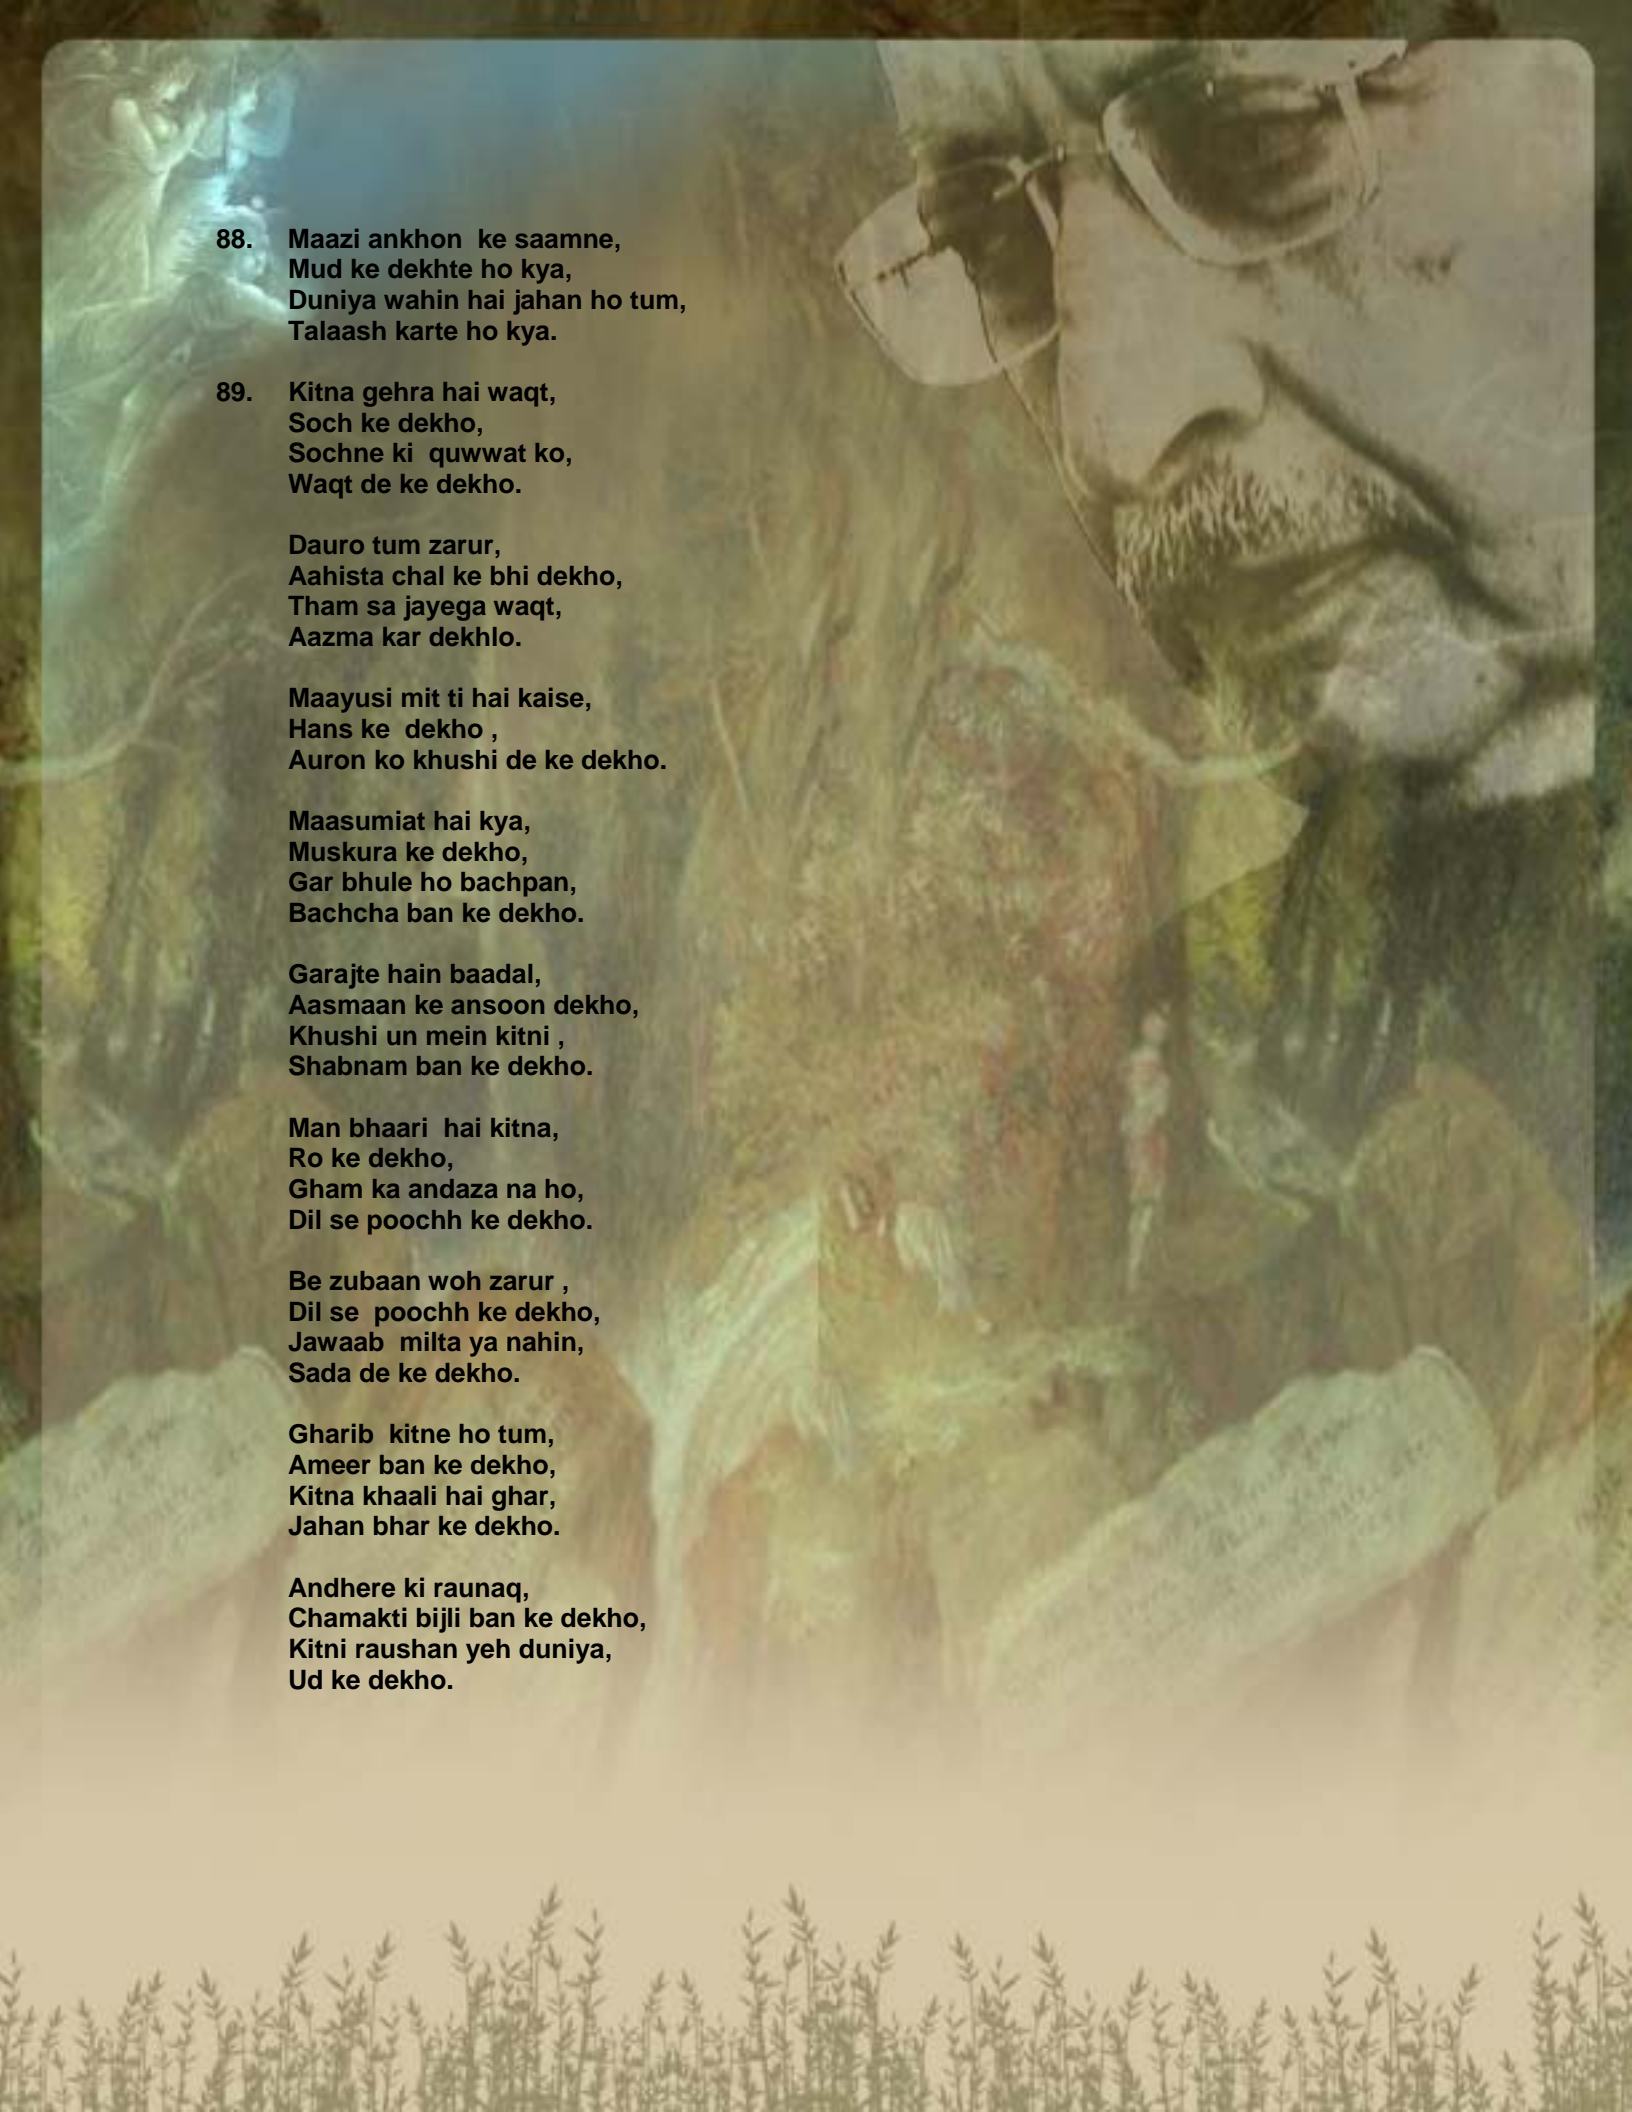

Kis ne dil ko raakh kiya ,
Lagi yeh aag kis tarah,
Koocha - e- yaar se guzarta hua,
Dhuan mera kidhar gaya.

Dhundun kahan ab usko main,
Hawaaon mein kahin jo kho gaya,
Pehchaan ab uski kyun kar ho,
Nishaan woh mita gaya.

Dil ka sukun khatm hua,
Sabr o qaraar woh le gaya,
Usi ki justaju mein ab,
Khazan ka daur shuroo hua.

Bahaar ab na aayegi,
Gulshan ke rang pheeke pade,
Raaton ki neend woh le gaya,
Dinon ka chain bhi ud gaya.

Raakh hi ab hum safar,
Jala hua tanha dil,
Simte gi zindagi kaise,
Ud gaya dhuan mera.

88. Maazi ankhon ke saamne,
Mud ke dekhte ho kya,

Soch ke dekho,
Sochne ki quwwat ko,
Waqt de ke dekho.

Dauro tum zarur,
Aahista chal ke bhi dekho,
Tham sa jayega waqt,
Aazma kar dekhlo.

Maayusi mit ti hai kaise,
Hans ke dekho ,
Auron ko khushi de ke dekho.

Maasumiat hai kya,
Muskura ke dekho,
Gar bhule ho bachpan,
Bachcha ban ke dekho.

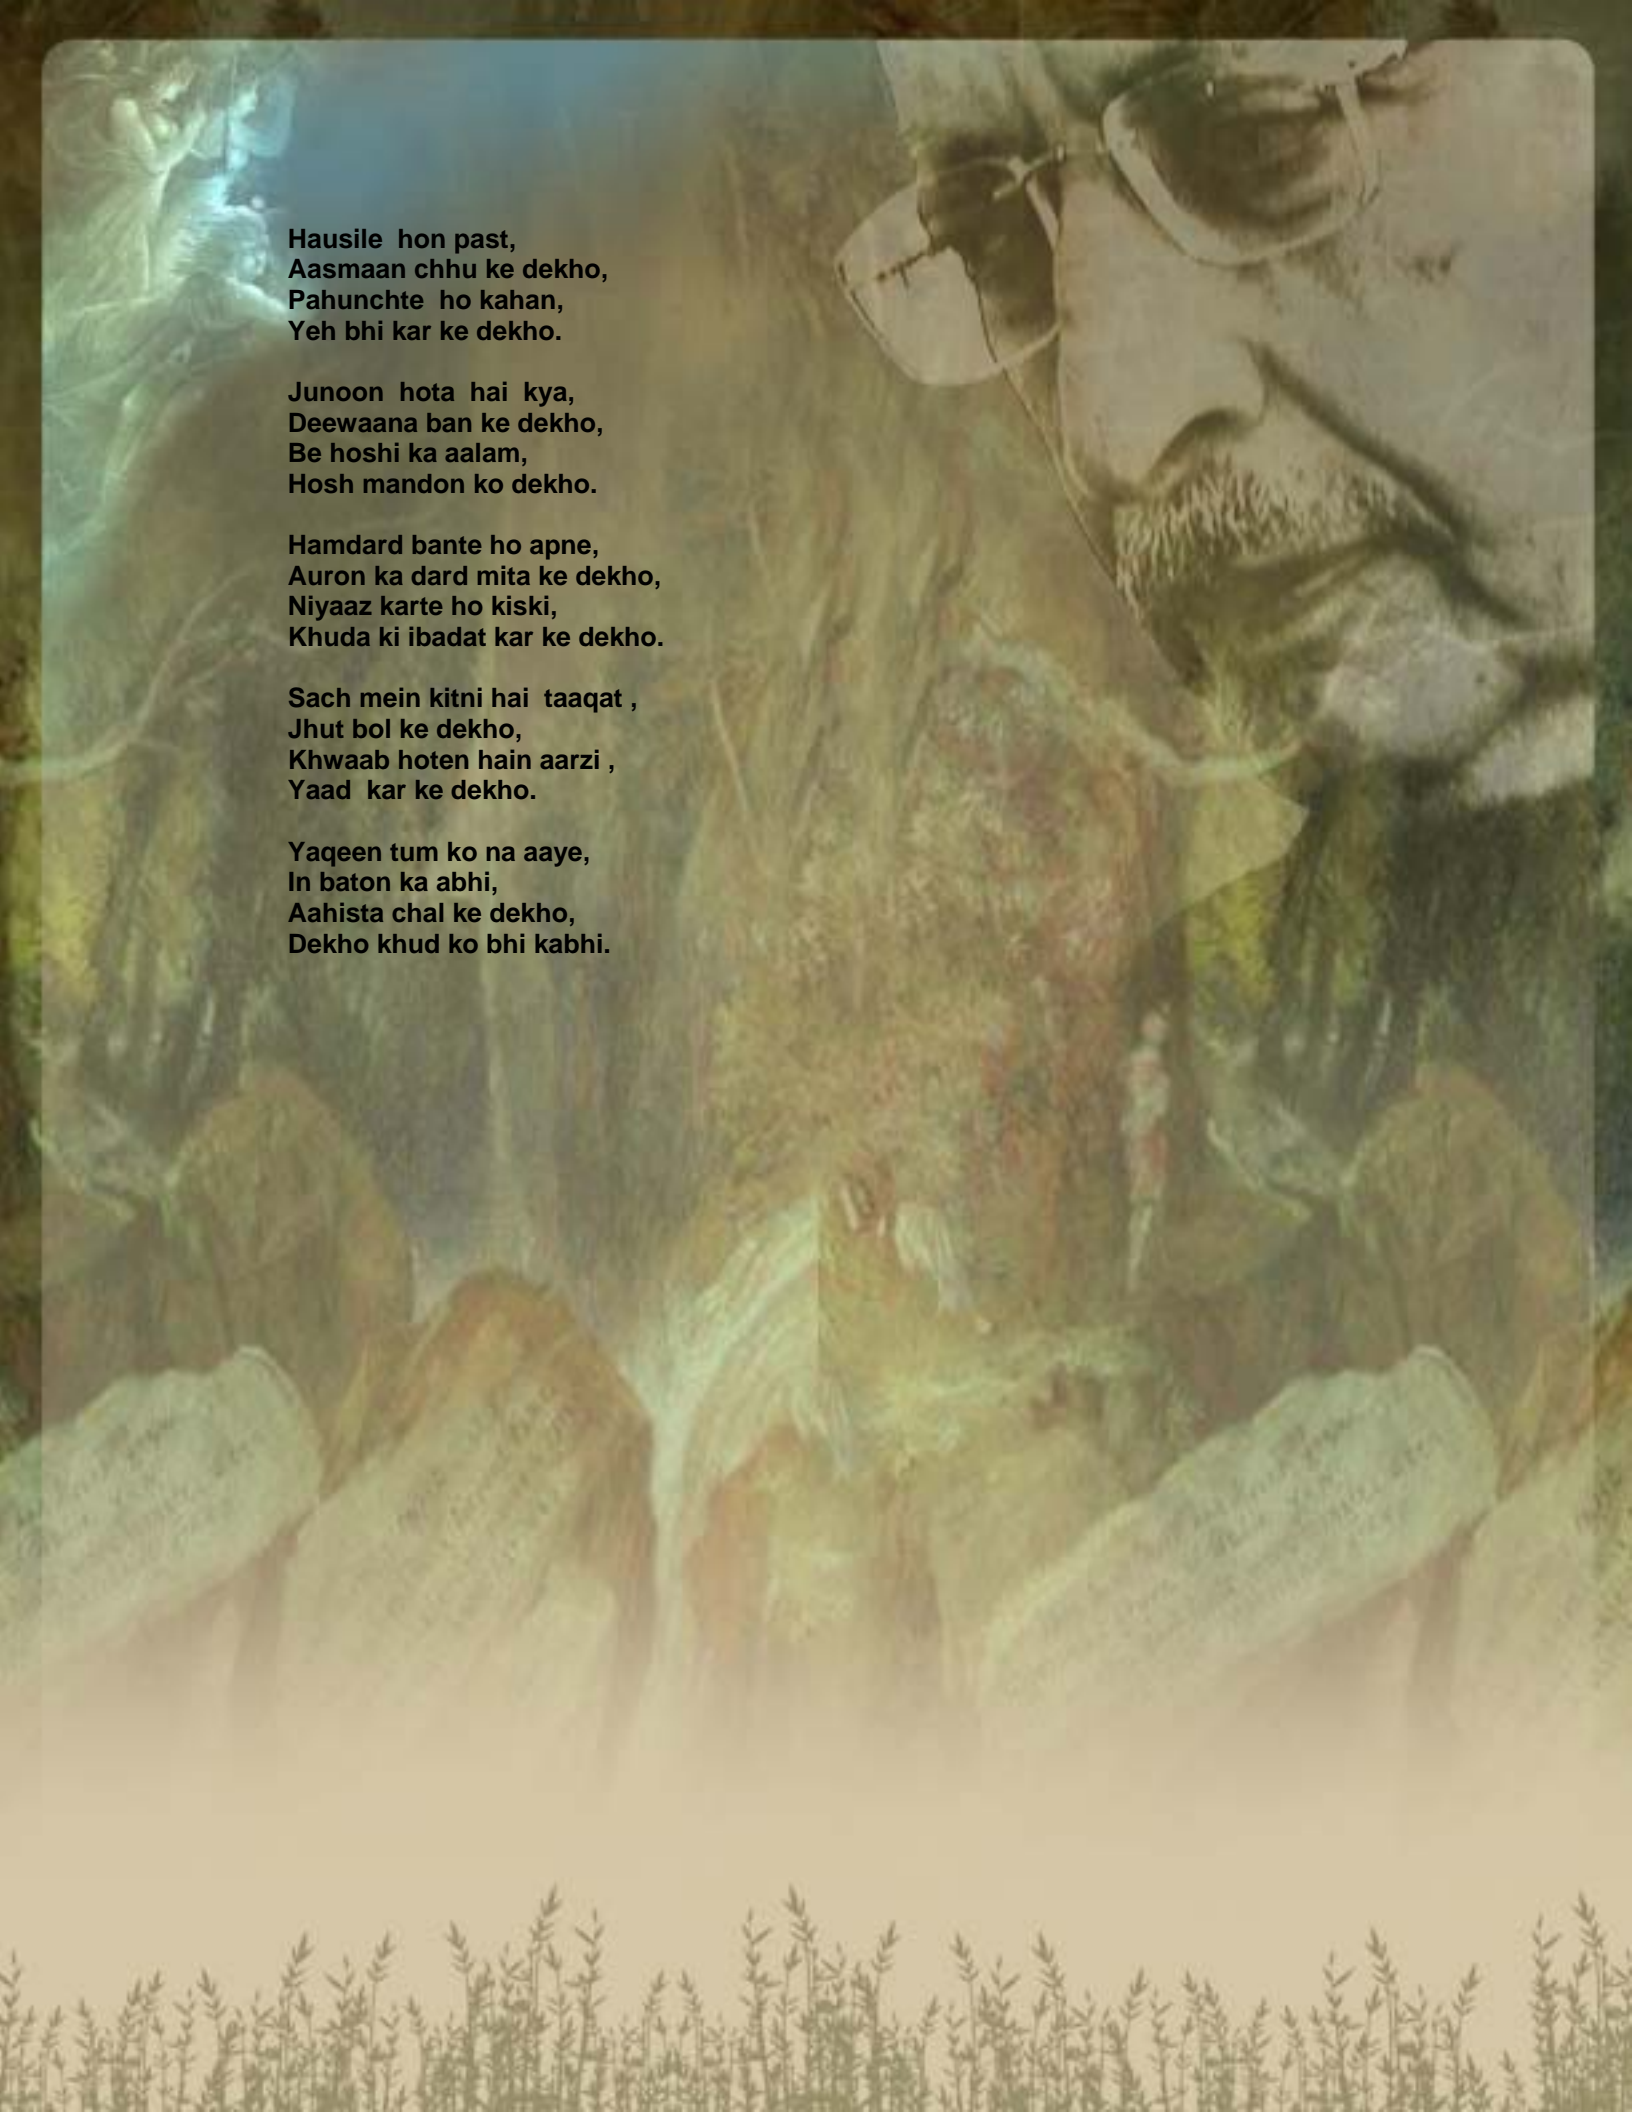

Garajte hain baadal,
Aasmaan ke ansoon dekho,
Khushi un mein kitni ,
Shabnam ban ke dekho.

Man bhaari hai kitna,
Ro ke dekho,
Gham ka andaza na ho,
Dil se poochh ke dekho.

Be zubaan woh zarur ,
Dil se poochh ke dekho,
Jawaab milta ya nahin,
Sada de ke dekho.

Gharib kitne ho tum,
Ameer ban ke dekho,
Kitna khaali hai ghar,
Jahan bhar ke dekho.

Andhere ki raunaq,
Chamakti bijli ban ke dekho,
Kitni raushan yeh duniya,
Ud ke dekho.

Hausile hon past,
Aasmaan chhu ke dekho,
Pahunchte ho kahan,
Yeh bhi kar ke dekho.

Junoon hota hai kya,
Deewaana ban ke dekho,
Be hoshi ka aalam,
Hosh mandon ko dekho.

Hamdard bante ho apne,
Auron ka dard mita ke dekho,
Niyaaaz karte ho kiski,
Khuda ki ibadat kar ke dekho.

Sach mein kitni hai taaqat ,
Jhut bol ke dekho,
Khwaab hoten hain aarzi ,
Yaad kar ke dekho.

Yaqeen tum ko na aaye,
In baton ka abhi,
Aahista chal ke dekho,
Dekho khud ko bhi kabhi.
